Study Help And Questions

16. How shall we proceed to maintain a right relation among all creatures?

17. What is the result when divine love enters into the thought process?

18. Is it possible to approach God while there is aught in the heart against a brother?

19. How may we become established in fearlessness and courage? Give an illustration from your own experience.

20. What is the unfailing antidote for fear?
