sympathy and understanding. In considering the welfare of the public: the accused, his family and his friends should be included as a part. It need not be expected that all maladjustments can ever be wiped out. Organization with its close relation of individual units implies conflict. Nevertheless, the effort should be to remove all possible inducement for the violent clashing of individuals and to minimize the severity of such conflicts as are inevitable.

THE END

I'm Julie, the woman who runs [Global Grey](#) - the website where this ebook was published. These are my own formatted editions, and I hope you enjoyed reading this particular one.

If you have this book because you bought it as part of a collection – thank you so much for your support.

If you downloaded it for free – please consider (if you haven't already) making a small [donation](#) to help keep the site running.

If you bought this from Amazon or anywhere else, you have been ripped off by someone taking free ebooks from my site and selling them as their own. You should definitely get a refund :/

Thanks for reading this and I hope you visit the site again - new books are added regularly so you'll always find something of interest :)
