

A watercolor illustration of a street scene in England. The scene is viewed from a low angle, looking down a narrow street. On the right, a tall, dark brown building with several windows dominates the foreground. In the center, a smaller building with a red-tiled roof and a small window is visible. To the left, a wooden cart or stall is partially visible. In the background, more buildings with chimneys and a cloudy sky are depicted. The overall style is soft and painterly.
