The Study Of Sanskrit

The Religion Of The Veda

Buddhism

drinking, in short, in every gesture,—of Christian monasticism, whether viewed as a whole or in its minutest details.

I think that we may and must be satisfied with the similarity of historical causes at work in the two separate quarters of the world as the explanation for all these resemblances,—a similarity which in my judgment amply accounts for our meeting among civilisations nearer to us in time and place with formations, isolated and scattered, yet closely resembling those which at the height of Indian history, pulsating with Indian life-blood, were united, in Buddhism, into so compact and remarkable a whole.
