ever so far and meet with tremendous adventures and have all sorts of fun...."

That is what he would have said; and he and Mytyl would have set out in spite of everything, without listening to Light's advice, for the most certain truths are good for nothing if we do not put them to the test ourselves. It only takes a moment to tell a child all the wisdom in the world, but our whole lives are not long enough to help us understand it, because our own experience is our only light.

Each of us must seek out happiness for himself; and he has to take endless pains and undergo many a cruel disappointment before he learns to become happy by appreciating the simple and perfect pleasures that are always within easy reach of his mind and heart.

A quick note: Hi! I'm Julie, the woman who runs Global Grey - the website where this ebook was published for free. These are my own editions, and I hope you enjoyed reading this particular one. To support the site, and to allow me to continue offering these quality (and completely free) ebooks, please think about [donating a small amount](#) (if you already have - thank you!). It helps with the site costs, and any amount is appreciated.

Thanks for reading this and I really hope you visit [Global Grey](#) again - new books are added regularly so you'll always find something of interest :)
